

ORAL ROBERTS UNIVERSITY BOARD OF REFERENCE

PURPOSE

This Board of Reference is to provide for effective communication and informative exchange and service among the public, ORU's stakeholders, and the University.

A board of reference is for the purpose of credibility, for reputation, and for influence.

As a member of the Board of Reference, your name and your circle of influence lends reputation to the credibility of Oral Roberts University.

A board of reference has no voting privileges and does not have any regularly scheduled meetings.
