1. **Students who have not completed a high school biology course with a grade of “C” or better must enroll in BIO 111 prior to enrolling in Anatomy & Physiology or Microbiology.**
2. Students for whom English is a second language must take the TOEFL (Test of English as a Foreign Language) and present a score of at least 550.
3. It is recommended that courses be taken sequentially as presented on the degree plan; however, in some cases it is necessary to deviate from the sequence of courses projected on the degree plan sheet. Some basic rules are helpful in planning enrollment.
 - COMP 303: Critical Reading and Writing must be completed before semester 6.
 - All General Education courses must be completed before semester 7.
 - Students may enroll in correspondence courses the summer prior to the senior year only with special permission of the Dean of the School of Nursing.
4. Except when taking Health Fitness I & II, an HPE Activity course must be taken every semester of full-time enrollment.
5. After admission to the nursing major, grade point average requirements for progression in program include the following:
 - A GPA of 2.5 or above must be achieved in pre-requisite courses with no grade below a “C”.
 - Pre-requisite courses may not be repeated more than once to achieve a grade of “C”.
 - Pre-requisite courses must be completed prior to enrollment in the upper-division, Junior-Senior level courses.
 - An overall cumulative GPA of 2.5 must be maintained throughout the program.
 - A GPA of 2.5 in nursing courses with no grade below a “C” must be maintained.
