How does it work?

There are several session formats available to enhance accessibility and feasibility:

Team Play: Group Sessions

Clients participate in group sessions once or twice a week for 60 minutes. There will be a maximum of four clients in each group. Groups will be established per age range and client abilities.

Team Sing: Individual Sessions

Clients participate in individual sessions once or twice a week for 45 minutes OR up to three times a week for 30 minutes.

Clients have the option of scheduling sessions in two different formats:

Option 1: Rotation-based scheduling

Summer camp runs on a rotation basis, each running 4 weeks long. Clients can sign up for 1 or 2 rotations or both. Please contact the clinic for specific dates. Clients will be receiving sessions multiple times a week, see the section "How Often are sessions" for more details.

Option 2: Semester-based scheduling

The summer semester runs for 8 weeks. Clients can choose to sign up for a particular summer camp program (i.e., team play or team sing) and schedule sessions throughout the summer semester on an individual basis.

How often are sessions?

Team Play (Groups):

1 or 2 times a week for 8 sessions (8 sessions = 1 rotation).

Please contact the clinic for specific times/dates

Team Sing (Individual):

45 minute sessions: 1 or 2 times a week for 8 sessions (8 sessions = 1 rotation)

30 minute sessions: up to 3 times a week for 12 sessions (12 sessions = 1 rotation)

Sessions are scheduled on an individual basis

Team Sing (Individual):

Clients can pay the remaining balance with check or cash. Clients can choose one of the following payment plans:

1. Pay in a lump sum at the beginning of camp
2. Pay every other week
3. Pay per week

**Clients will receive an invoice with their total balance*

What if a client can't attend? Is a refund given?

No. However, individual sessions can be rescheduled as per the therapist's availability.
