COLLEGE OF BUSINESS—THE RENOVATION BEGINS

Before... Iconic "orange"...

After...

Thanks to a very generous donation, the third floor of the Graduate Center is undergoing a major renovation—and our college's graduate division is now known as the Fenimore Fisher Graduate School of Business. Though the need for a city permit caused a summer delay, evening construction is now underway. A focal point in the renovation will be a new Capital Markets Trading Floor and student-managed investment fund. Learn more at the Homecoming Power Lunch!

COLLEGE OF BUSINESS HOMECOMING EVENTS

Power Lunch – Join COB faculty members and other Business graduates to hear about the exciting things happening in the College of Business! Donors will be sharing their vision for the Fenimore Fisher Graduate School of Business and the new Capital Markets Trading Floor at ORU.

College of Business Endowed Scholarship Signing Event – Our prior Graduate School of Business Dean, Dr. Frank Romanelli, has created an endowed scholarship for College of Business students. Join us for the Declaration Signing Party on Saturday, 11/13, at 2 p.m. on the sixth floor of the GC.

ACADEMIC HIGHLIGHTS

In response to industry surveys issued by a joint group of practitioners (American Institute of CPAs/AICPA) and educators (American Accounting Association/AAA), a model curriculum for Accounting students has been proposed along with a new CPA exam, which will be launched in January 2024. ORU Accounting professors are working diligently to incorporate these changes in the COB's Accounting curriculum. ORU COB Accounting students will be well-positioned for future success!
