			17.5				

May be replaced by HPE Activity if Swimming Proficiency passed.

This plan sheet is designed to meet the requirements of most schools of dental hygiene. Because of variation in programs, students should consult the schools they plan to attend and follow their specific recommendations concerning required and elective courses.

Note: The University of Oklahoma Dental Hygiene Program requires two years of language in high school **or** two semesters in college (same language), plus several other courses not included on the degree plan sheet. Check the requirements of your intended program.
