

THIS CONFERENCE OFFERS YOU . . .

- » Opportunities to connect with other like-minded professionals.
- » Workshops offered in a wide-variety of subjects.
- » Exhibitors of educational products and resources.

SPECIAL SPEAKER
DR. DANIEL G. AMEN, MD

Daniel G. Amen, MD is a award-winning physician, child and adult psychiatrist, brain imaging specialist, best-selling author, international speaker, and brain enhancement expert. He is a Distinguished Fellow of the American Psychiatric Association and the CEO and medical director of Amen Clinics, Inc. (ACI) in Newport Beach and Fairfield, California, Tacoma, Washington and Reston, Virginia. Dr. Amen is married, father of four children, and an avid table tennis player.

Dr. Amen will be speaking on “**Creating Brain-Healthy Schools**” and discussing his latest findings on brain-based learning including the issues of ADD/ADHD and other learning challenges. He is at

the forefront of applying brain science to improve every-day life.

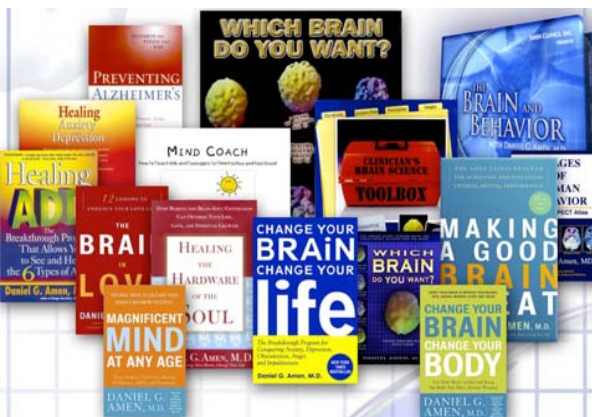

ACI is the world leader in applying brain imaging science to clinical practice. ACI has the world's largest database of functional brain scans related to psychiatric medicine, now totaling more than 50,000 scans, and the clinics have seen patients from 75 countries.

Dr. Amen is an Assistant Clinical Professor of Psychiatry and Human Behavior at the University of California, Irvine School of Medicine, where he teaches medical students and psychiatric residents about using brain imaging in clinical practice.

Dr. Amen is the author of 35 professional articles, 4 book chapters and 23 books.

In February 2010, Harmony Books will publish Dr. Amen's new book, *Change Your Brain, Change Your Body*. He has also written and produced three recent blockbuster fundraising shows for public television, raising more than 16 million dollars. Dr. Amen, together with The United Paramount Network and Leeza Gibbons, produced a show called *The Truth About Drinking*, on alcohol education for teenagers, which won an Emmy Award for the Best Educational Television Show.

Dr. Amen, together with his son-in-law, Jesse Payne, has developed a 12 week high school course on practical neuroscience called *Making A Good Brain Great*. The course is now being taught in 40 states and 7 countries.

COMMENTS FROM LAST YEAR'S CONFERENCE . . .

“The ORUEF summer conference had something for every member of my staff. The sessions were both educational providing information on innovative trends and methods, and inspirational, supplying encouragement to persevere in this important ministry. We all left the conference inspired with renewed vision and armed with creative ideas to implement in the new school year.”

*Carolyn DeSalvo, Administrator
Bethany Christian School, Baker, LA*

“Thank you so much for THE BEST administrator hearing and teacher conference that I have been to in 12 years. I don't think we knew what we needed until now.”

*Angela Cuppett, Administrator
Fellowship Christian Academy, Ft. Worth, TX*

“Homerun! What an excellent conference. You guys thought of everything. It was a tremendous comeback from several years of not having a conference. The speakers, the workshops . . . everything was handled in an excellent fashion. Thank you for the wonderful hospitality.”

*James Watts, Administrator
Meadowbrook Academy, Ocala, FL*
