FINANCIAL GUARANTEE FORM

ORAL ROBERTS UNIVERSITY

The United States Department of Homeland Security (DHS) code of federal regulation 8 CFR 214.2(f) requires documentation that sufficient financial resources are available to meet a student's prospective educational and living expenses while in the U.S. Therefore, Oral Roberts University requires a guarantee of financial resources and supporting documentation from each international applicant who expects to obtain or maintain Student (F-1) status.

WHAT YOU NEED TO KNOW:

- International applicants are required to submit financial documentation that equals or exceeds one full year of expense for the program of study they are interested in pursuing.
- A Form I-20 will not be issued until this financial guarantee is completed and its documentation verified.
- The required educational expense amounts cannot be adjusted based on a student's individual circumstances. This estimate is based on 12-18 hours each semester for undergraduate studies, or 9 hours each semester for graduate studies.
- Financial documentation is valid for six months from the date of signature on this form and on the date of any bank statements or financial documents submitted.
- Scholarships are available for qualified international students. There are no full scholarships avaliable at ORU. Scholarships only cover a small portion of tuition, and should not be relied upon to cover all educational costs.
- Providing fradulant or false information on this form or any supporting documentation will result in immediate cancelation of your international admission application and any pending or current immigration records.
