## WELCOME TO ORU HOUSING

Congratulations and welcome to ORU! We hope you are looking forward to being part of our vibrant on-campus community. The following application and room selection process gives you complete control in selecting the room and community that best fits your needs for the 2020-2021 academic year. We would encourage you to be a part of our First Year residential community, a community focused on developing students spiritually, academically, and socially. This residential experience is specifically designed with the 1st year student in mind and complemented by a year-long series of programs geared to assist students with the acclimation to university life and becoming an active and engaged member of the ORU community.

There are a number of statistics that bear out the positive aspects of living on campus. Freshmen who live on campus are more likely to graduate from the university they started at than those who commute. Students who live on campus also achieve higher GPAs than those who live off campus. Additionally, students who live on campus have quicker and easier access to the many resources available to them including dining facilities, the library and other academic resources, professors, peer spiritual support, and access to campus fitness facilities. Friends you make while living on campus are friends for life.

At that heart of Student Life and our belief that living in one of our campus residence halls is essential to your growth as a whole person is this quote:

*"You live in campus resident halls so you can learn to live with someone else, improve your attitude, to learn better behavior patterns, to learn to care for people, even when they are often hard to live with..."*

-Oral Roberts, 1970

If you have any questions regarding the multitude of residence living options available to you, please do not hesitate to contact the ORU Housing Office at (918) 495-7711 or via e-mail at [housing@oru.edu](mailto:housing@oru.edu).

We look forward to welcoming you home!

## ***Application Tutorial***

The following link will take you to a step by step video tutorial of the Housing Application process. You are able to bounce back and forth between steps if you need to revisit a part. Please note the following:

1) During the Roommate Request portion of the application, you are only sending an invitation at this time. The individual you invite MUST accept the invitation prior to either of you selecting a room in order to ensure that you are roommates and search for only rooms that will accommodate both of you. Forming a roommate group after one of you has already selected a room will not place you in the same room at that time. Please contact the Housing Office if you need further assistance with this, (918) 495-7711. If you want to check your roommate status, please click on the "Roommate Request" link. One of your group will be listed as "LEADER" and the other should be listed as "MEMBER". If the status of one of you says "INVITED" then that person needs to click "ACCEPT" to finalize the roommate pairing.

2) Once you click SUBMIT on the last step, you will be automatically redirected to the Room Selection step IF that process has opened. Room selection for Fall 2020, Spring 2021 admitted students will begin at 1:00PM on October 1st, 2019. Please contact your enrollment counselor for more details.

**PRIVACY PREFERENCES**

Please select whether or not you want the following information displayed on the room selection maps. The map or available bed spaces list will show occupied spaces and can show prospective roommates who has selected the other space. If you do not make a choice, the default will be to display the information

Show roommates my name?:

Show roommates my phone number?:

Select "Show" if you would like to give permission for your name to appear next to your room selection. This will help connect you to your future roommate!

## ROOMMATE REQUEST

This is where you can send an invite to a prospective roommate for the next year. This person must be known to you and must accept this invite before you can pull them into the same room during the room selection process. The individual you are requesting MUST be eligible for room selection (i.e. completed a 2020-2021 application, not have financial holds, etc.) or the search tool will not be able to find them to send an invite.

The University may require a resident to vacate the premises if this condition is not met. Any student suspended or expelled from the University will be required to vacate the premises immediately.
12. A student who officially withdraws from the University is expected to vacate the premises within (48) hours following withdrawal. Room and board charges will continue to accrue and be pro-rated according to the schedule in section 4 of this document.
13. Any student either using an unauthorized key to enter a room or trespassing will be subject to dismissal.
14. All room assignments occur on a first-come first-serve priority, according to the room selection schedule published by the Office of Housing.

All meal plans are the same price. The choices you have are how you decide to split your plan.

More meals in the cafeteria per week = less “allowance” (Sodexo \$) **per semester**. Sodexo can be spent at Chick-Fil-A, Hava Java (Starbucks), Moe’s, Freshens, and other campus dining options.

Your Sodexo will be loaded onto your student ID, called an Eagle Card. You can always add more \$ to your Eagle Card if you desire to do so.

You do **not** currently have an ORU student username/email address assigned.  
 A suggested student username ([coo146305](#)) has been selected for you.

Using the form below, you may choose a different student username and/or (re)set your password. Your username must be appropriate and cannot conflict with any others.

## Independent/Dependent Status Verification

Home > Personal Information > Verify Your Independent/Dependent Status

The Family Educational Rights and Privacy Act of 1974, as amended, is a federal regulation that sets forth the requirements regarding the privacy of student records. FERPA governs: (1) release of these records (known as education records) maintained by an educational institution and (2) access to these records.

All students enrolled in an institution of higher education are considered by the Department of Education as independent as it pertains to the access of their records regardless of age or status as a dependent on an individual's tax return. If you would like your parents or another individual to have access to your records (academic and financial), please change your status to dependent. You will also need to update your Next of Kin address information to include this individual's name and relationship.

Please update my status to the following:

☒ Independent  
☐ Dependent

### Entrance Counseling

#### What is Entrance Counseling?

If you have not previously received a Direct Loan or Federal Family Education Loan (FFEL), the Federal Government requires you to complete entrance counseling to ensure that you understand the responsibilities and obligations you are assuming.

If you are completing entrance counseling to borrow a loan as an undergraduate student, then the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans and Direct Unsubsidized Loans.

If you are completing entrance counseling to borrow a loan as a graduate or professional student, the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct PLUS Loans.

Your school may have alternate entrance counseling requirements. Check with your school's financial aid office to be sure that the counseling available on this Web site satisfies its requirements for entrance counseling.

## Master Promissory Note (MPN)

The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s).

You may receive more than one loan under an MPN over a period of up to 10 years to pay for your or your child's educational costs, as long as the school is authorized to use the MPN in this way and chooses to do so.

The school will tell you which loans, if any, you are eligible to receive.

The MPN is also a **Student Loan** requirement. Make sure the student is the one that logs in.

An aerial photograph of a university campus. In the foreground, there's a modern building with a white, angular roof and large glass windows. To its right is a large, curved parking lot filled with cars. A winding path or stream runs through the middle ground. In the background, several tall, white, cylindrical dormitory-style buildings are visible, along with a large green field and a forested hillside under a clear blue sky. A large, dark blue banner with white text is superimposed over the center of the image.

I. FINANCIAL CONTRACT

The payment of tuition and all other applicable fees become an obligation at the time of registration. The Federal Truth-in-Lending Act requires a complete disclosure of the terms and conditions governing the payment of these obligations and the method of calculating any applicable Finance Charges. To comply with these regulations, the University asks students to read carefully the following disclosures, terms and conditions before signing this Contract. If there are any questions, please call the Student Accounts Office at (918) 495-6370. I agree to pay my obligations to ORU in accordance with the terms and conditions hereinafter set forth.

**A.** The Finance Charge, if any, is computed by applying the monthly periodic rate of 1.25% (Annual Percentage Rate of 15%) to the amount of the Balance Forward shown on the monthly statement after deducting the payments received on or before the last business day of that month. Any excess of credits over charges made during a month shall be considered as payment for the purpose of calculating the Finance Charge. These credits or charges shall not modify the Finance Charge incurred in any previous month unless they are due to an error by ORU.

**B.** Payments on the account will be due on or before the last business day of the month. Payments, credits, or charges received or made after the billing date shown on the monthly statement will appear on my next monthly statement. Before my registration is considered valid, I must pay any prior obligations due on my account and make payment required for the current term.
