Congratulations and welcome to ORU! We hope you are looking forward to being part of our vibrant on-campus community. The following application and room selection process gives you complete control in selecting the room and community that best fits your needs for the 2020-2021 academic year. We would encourage you to be a part of our First Year residential community, a community focused on developing students spiritually, academically, and socially. This residential experience is specifically designed with the 1st year student in mind and complemented by a year-long series of programs geared to assist students with the acclimation to university life and becoming an active and engaged member of the ORU community.

There are a number of statistics that bear out the positive aspects of living on campus. Freshmen who live on campus are more likely to graduate from the university they started at than those who commute. Students who live on campus also achieve higher GPAs than those who live off campus. Additionally, students who live on campus have quicker and easier access to the many resources available to them including dining facilities, the library and other academic resources, professors, peer spiritual support, and access to campus fitness facilities. Friends you make while living on campus are friends for life.

At that heart of Student Life and our belief that living in one of our campus residence halls is essential to your growth as a whole person is this quote:

“You live in campus resident halls so you can learn to live with someone else, improve your attitude, to learn better behavior patterns, to learn to care for people, even when they are often hard to live with....”

-Oral Roberts, 1970

If you have any questions regarding the multitude of residence living options available to you, please do not hesitate to contact the ORU Housing Office at (918) 495-7711 or via e-mail at housing@oru.edu.

We look forward to welcoming you home!
The following link will take you to a step by step video tutorial of the Housing Application process. You are able to bounce back and forth between steps if you need to revisit a part. Please note the following:

1) During the Roommate Request portion of the application, you are only sending an invitation at this time. The individual you invite MUST accept the invitation prior to either of you selecting a room in order to ensure that you are roommates and search for only rooms that will accommodate both of you. Forming a roommate group after one of you has already selected a room will not place you in the same room at that time. Please contact the Housing Office if you need further assistance with this, (918) 495-7711. If you want to check your roommate status, please click on the "Roommate Request" link. One of your group will be listed as "LEADER" and the other should be listed as "MEMBER". If the status of one of you says "INVITED" then that person needs to click "ACCEPT" to finalize the roommate pairing.

2) Once you click SUBMIT on the last step, you will be automatically redirected to the Room Selection step IF that process has opened. Room selection for Fall 2020, Spring 2021 admitted students will begin at 1:00PM on October 1st,2019. Please contact your enrollment counselor for more details.

It is okay if you don’t have a roommate request! Most students select at random.

The striking of the fire by students is prohibited on campus except for use in University approved programs. Neither cooking nor possession of cooking apparatus is permitted in rooms and food should be stored in such a way as not to attract insects. All prohibited items found on the premises in violation of these regulations may be impounded and/or confiscated by the University.

10. Each resident will abide by the laws of the State of Oklahoma, the ordinances or the city of Tulsa, and the rules, policies, codes, regulations and procedures of Oral Roberts University. Each resident is responsible for compliance with all policies, procedures and regulations set forth in the Student Handbook and University Policy and Code of Honor. Oral Roberts University retains the right to change and to establish such additional rules, regulations, policies, codes or procedures as it may deem necessary in the furtherance of its Purpose. Failure of a resident or his guest(s), to comply with and observe any such rules, policies, codes and procedures of the University will subject the resident to disciplinary action including, but not limited to, impoundment of equipment and/or student dismissal and/or removal from the premises.

11. Residence in University Housing is based on the student's continuation as a student in good standing at ORU. The University may require a resident to vacate the premises if this condition is not met. Any student suspended or expelled from the University will be required to vacate the premises immediately.

12. A student who officially withdraws from the University is expected to vacate the premises within 48 hours following withdrawal. Room and board charges will continue to accrue and be pro-rated according to the schedule in section 4 of this document.

13. Any student either using an unauthorized key to enter a room or trespassing will be subject to dismissal.

14. All room assignments occur on a first-come first-serve priority, according to the room selection schedule published by the Office of Housing.

☐ I acknowledge that I have read, understand, and agree to abide by the ORU Housing Terms and Conditions

☐ I understand that I am responsible for all ORU policies as outlined in the ORU Honor Code and ORU Student Handbook

☐ I acknowledge that if I select a private room, my assignment in a private room is contingent upon the space being available to accommodate such a request. I understand that if additional residence hall space is needed to accommodate additional residents, my selection of a private room can be nullified and my room reclassified as a double room with a roommate and that I will be charged the double room rate consistent with my room location.

All meal plans are the same price. The choices you have are how you decide to split your plan.

More meals in the cafeteria per week = less “allowance” (Sodexo $) per semester. Sodexo can be spent at Chick-Fil-A, Hava Java (Starbucks), Moe’s, Freshens, and other campus dining options.

Your Sodexo will be loaded onto your student ID, called an Eagle Card. You can always add more $ to your Eagle Card if you desire to do so.

*Note: To receive Direct Subsidized and Unsubsidized Loans, students will need to complete a Direct Loan Entrance Counseling at studentaid.gov. To prevent delays in processing, please complete your Loan Entrance Counseling NOW. PLEASE NOTE: You only need to complete the Entrance Counseling once, although you may see an Entrance Counseling Requirement for your Direct Subsidized and Unsubsidized Loans on your Vision Account. *Log into studentaid.gov with your student FSA ID login information and complete the Subsidized/Unsubsidized Master Promissory Note (MPN). Loans cannot pay until this is complete and we receive the notification from the Department of Education which can take 2-3 business days.*
We'll share useful info and walk you through the PLUS loan process.

We have resources for parents looking to save for college and learn about financial aid. We also make loans to eligible parents to help pay for their child's undergraduate education expenses.
