

## COMMENCEMENT WAS AMAZING!

Congratulations once again to ORU's 53rd graduating class: the Class of 2020! It was so great to welcome these students back to campus for the traditional Commencement ceremony. Family members cheered them on in the Mabey Center's socially distant set-up as they marched across the stage and posed for a photo with President Wilson. That morning, we held our annual Alumni Parent and Legacy Student Breakfast, which was attended by 33 legacy families—first- and second-generation ORU alumni! We invite you to watch the Commencement ceremony. Enjoy the keynote address by Larry Stockstill '75 and President Wilson's commissioning of the new graduates.

## A VERY COOL DESIGN

Hear Joshua Braun '20 talk about an award-winning engineering project that he and his teammates worked on. It was an ingenious cooling system design that earned them the top prize in May in the University Student Design Challenge, sponsored by NASA's Glenn Research Center.
