

Report of the Major Field Test Results

SPRING 2026

College of Business

The [ETS Major Field Test for Business](#) (MFT) was given to **68** senior students enrolled in Strategic Management in the Fall of 2025. A summary of the results as compared to previous years is given below.

Overall MFT Results

Table 1 shows that in the Spring of 2026, ORU fell in the **63rd percentile** as compared to **344** other US colleges and universities that took the test between September 2021 and June 2025. That is, overall, ORU students did better than 63% of all other students taking this exam (see Figure 1 below).

In comparison, over all institutions taking the exam in Spring 2025, the percentile rank was 54th.

ORU Overall Percentile Ranks over Several Years

*In the Spring 2020, the MFT was not administered due to the University's COVID response in March 2020 in which students were sent home early.

** In Fall 2024, a computer issue caused students not to be able to take the test. Therefore, no data were available for the Fall 2024 period
