

Math, Science, and Engineering Summer Academy

"A Hands-On Program in Mathematics and Science"

Hosted by Oral Roberts University

June 8-12, 2020
with a follow-up event on
August 22, 2020

This residential summer academy will help students entering the 8th or 9th grade better understand the natural world and develop critical thinking skills through a series of integrated, project-based learning experiences. Field trips, laboratory experiences, and applied technologies will all be used to train students to explore, conjecture, and verify relationships in problem solving.

Campus facilities, such as basketball courts, swimming pool, and recreational fields, will be available to students during structured recreational time. Students will live on-campus in dorms supervised by Resident Advisors and security.

DISCLAIMER: Oral Roberts University, employees, coaches/instructors, trainers, volunteers, directors, members and representatives, are not responsible for any injury, loss or damage of any kind sustained by any person while participating in any and all summer camp sanctioned activities, events, outdoor sessions or lunch activities, including injury, loss or damage which might be caused by negligence.

Highlights

APPLICATION DEADLINE: First Deadline: **April 7, 2020**; Second Deadline: **April 27, 2020**

Several hundred Oklahoma students are applying for State Regents Summer Academies. Students attending more than one State Regents Summer Academy may prevent many other students from having this opportunity. Although some Academies do not have waiting lists, others have very long waiting lists.

So that more students may attend a State Regents Summer Academy, I will notify Academy Directors if I am accepted for more than one 2020 Academy.
