The change of seasons brings with it a welcome shift in weather, although the realization of impending tests may be slightly less welcome. This season, the Honors Program is proud to announce that we will be able to host a Presidential Luncheon with Dr. Mark Rutland on November 12<sup>th</sup>. Please RSVP no later than Wednesday, November 4 to [honorsprogram@oru.edu](mailto:honorsprogram@oru.edu).

### International Development

*Because reaching the world is what we do best ☺*

Do you want to make a difference this summer? You have a unique opportunity to combine your passion, skills, and academic experience with tangible ministry around the world through ORU international development trips. Coordinated by the Missions Department, these trips serve as an avenue for practical ministry where you will impact the community you serve in a lasting and powerful way by meeting their physical needs. Teams are going to Guatemala to build wells, Senegal and Morocco to coordinate business plans, Dominican Republic to observe elections, and China to teach in classrooms and so many more. Several of the trips have correlating classes next semester for which you will get Honors Credit!
