

ORAL ROBERTS UNIVERSITY

Application to the Honors Program for Current ORU Students

Students wishing to apply must first enroll in one or more Honors classes (they may need to ask the professor for permission to enroll) and show themselves capable of handling Honors work. After taking the classes they may complete this application and submit it to the Honors Office (GC 5C06). With a favorable evaluation of the application by the Honors Program Directors, students are notified and admitted into the Honors Program as a Scholar and may then enroll in Honors Seminar (HONR 100). They must pass the seminar, complete a total of 21 Honors Credits, and maintain a 3.5 overall GPA in order to graduate from the HP. Other details about extra requirements for some majors and involvement in Honors Program activities are included on the HP website: www.oru.edu/current_students/my_academics/honors.
