

## **DANCE PERFORMANCE**

### *Video Auditions*

The video audition is designed as an optional auditioning process for students who live outside of the United States and for those who cannot attend the set audition dates. Auditioning in person is still recommended whenever possible so that the student can experience the ORU campus and community. Please be sure the dancer's entire body is viewable on the recording. A DVD recording is acceptable or shared viewable weblinks such as YouTube, Vimeo, Dropbox, etc. The recording should be received before March in order to be considered for the fall dance major and to be considered for scholarships.
