

AGGREGATE SCORES FOR THE MUSIC EDUCATION BY PERFORMANCE LEVELS

AUGUST 1, 2011 – OCTOBER 17, 2013

The portfolio is a developmental process therefore candidates complete some assessments multiple times throughout the program using the same rubric. As a result candidates may score at a lower level at the beginning of their program, but as they move closer to the senior year, scores typically improve as evidenced with Music education candidates. At the Entry level portfolio, score are primarily at the Acceptable, Competent, and Exemplary levels, but by the Capstone level, scores are primarily at the Competent and Exemplary levels.

A review of the Oklahoma Subject Area Test (OSAT) results for music education majors, both vocal and instrumental, indicate that ORU candidate test results are consistently higher than the state average in every subarea for every year with the exception of one test administration (see Vocal Music 5/22/10 test results). Thus, data indicates that music education majors have the knowledge, skills, and dispositions needed to have a positive impact on P-12 student learners.

August 1, 2011 – October 17, 2013 Entry Level ePortfolio Data (1=Unacceptable; 2=Acceptable; 3=Competent; 4=Exemplary)						
Assessment Instrument Name	Aggregate Score					
	2011-2013					
	N/Aggregate Score	1	2	3	4	
Artifacts						
Philosophy Paper	60	2.46	3%	66%	18%	13%
Field Experience						
Final Teacher Evaluation	10	3.79			10%	90%
Final Self Evaluation	6	3.00		50%	25%	25%
Disposition Evaluation						
Disposition #1 (Entry Level): Self-Evaluation	13	2.52	8%	46%	31%	15%
