

M.D./Ph.D. Program

The University of Oklahoma HEALTH SCIENCES CENTER

In cooperation with

Oklahoma Medical Research Foundation

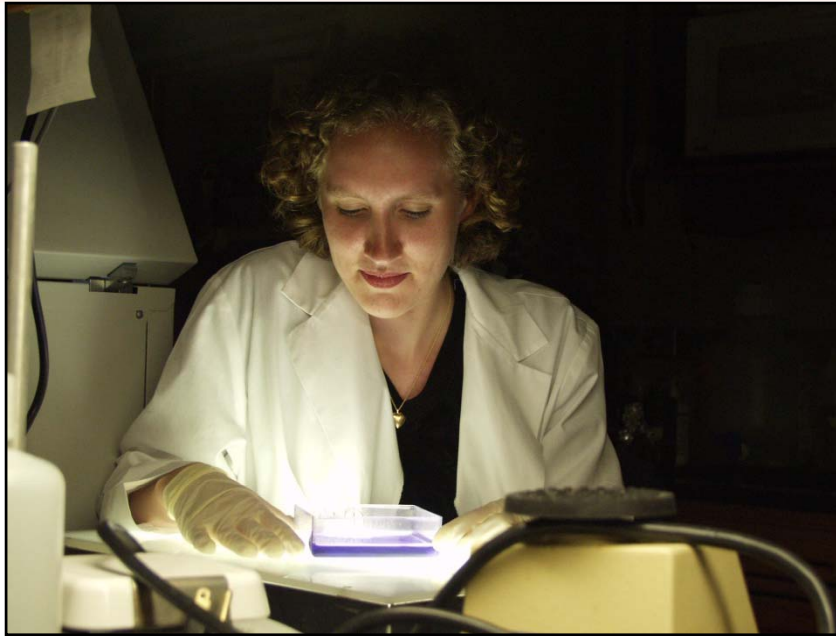

Presbyterian
Health
Foundation

The MD/PhD Program is made possible by a generous grant from the Presbyterian Health Foundation.

M.D./Ph.D. Program

Students obtain an intensive medical education coupled to rigorous training in scientific investigation. Graduates are prepared for careers in academic medicine that combine patient care, teaching, and patient-oriented or laboratory research.

Summary

- Very selective
 - Only 2-4 students chosen out of ~ 30 applicants last year.
- The undergrad research experience must be a “significant effort.”
 - Must speak comprehensively about the research effort.
- \$20,000 stipend PLUS full tuition for both the MD and PhD!
