Oral Roberts University is a residential campus. All undergraduate students under the age of 25 and not married or living with their parents are required to live in the residence halls.

Each floor/wing houses approximately 30 students. This structure is designed to maximize your college experience. Each wing on campus has a male/female counterpart called the brother or sister wing.

Each wing has a resident advisor (RA). The RA serves as the leader of the wing and will assist you in settling into the flow of things at ORU. The RA conducts a weekly hall meeting. Other wing leaders include the chaplain, the Academic Peer Advisor, and various wing chairmen.
