

Faculty Profile - Ms. Sharon Willis

COLLEGE OF NURSING

CALLED TO CARE:

DOSAGE CALCULATION

Mrs. Sharon Willis is a professor in the College of Nursing

Sharon is an alumnus of ORU. After graduation, she worked at the City of Faith, as well as in several states and various clinical areas. Since 2005, she has served in the College of Nursing as the Simulation Lab Coordinator/Instructor. Sharon says, "It's a joy to be back at ORU teaching nursing students who are called to bring God's healing to their generation."

About the Course

The purpose of this course is to teach the basic design of medical terminology, utilizing a unique instructional system of applied memory techniques. Upon completion, you will learn the meanings of 350 Latin/Greek word parts and be able to interpret over 11,000 complex medical terms. Additionally, you will learn Basic Life Support and obtain American Heart Association (AHA) certification.
