

Curriculum Vitae
Rachael M. Valentz, RN, MSN
rvalentz@oru.edu

Personal Statement

I am an experienced critical care nurse with a passion for education. As a travel nurse, I learned the importance of flexibility and teamwork, which have been important qualities as an educator. I believe in encouraging students to reach their fullest potential by helping them set their own educational goals, setting boundaries, and guiding them through their journey to becoming a nurse. My goal is to assist students to become Holy Spirit empowered nurses who are excellent in their role as nurse.
