ADDITIONAL INFORMATION

I have been married to Terry, for 26 years. Terry, a US citizen, came to the UK in 1984 to play professional basketball. We have two sons, Mikey, who and played for the ORU Golden Eagle basketball team and

graduated from ORU with an MBA in 2014, and Remy, who has just transferred to ORU from Victory Bible College to study Sports Management and Psychology.

I have had experience in teaching and delivering presentations outside of paid employment. I led the 'Freedom in Christ Discipleship Course' at Derby City Church (DCC), England for eight years. I also served on DCC's prayer ministry and women's ministry teams. I have cleaned church toilets, served teas and coffees, led a book club for church members and their friends, spoken at evening services and women's meetings, and mentored young women. Serving has challenged me and helped me grow spiritually; it has encouraged me to seek a deeper relationship with the Lord.
