

iPad Cart Request

General Guidelines

- All cart requests must be electronically filled out and submitted via email to helpdesk@oru.edu.
- All requests must be submitted at least ten (10) business days in advance.
- All requests are not approved until IT contacts you with the approval of your request.
- IT will be happy to install approved 3rd party Apps, but please be aware that training for 3rd party Apps will not be available.
- For security purposes, only Apple approved Apps residing in the App Store will be considered.
- An IT representative will be available at the beginning of the class for setup assistance and will return at the conclusion.
- The professor is responsible for all equipment checked out. Both the professor and the IT rep will sign off that all equipment is present and acceptable.
