Dear Grant Administrator:

Oral Roberts University recognizes and appreciates the significant role of the Chatlos Foundation in serving educational and spiritual needs across the United States. The purpose of this proposal is to request **\$10,000** to support the Jonas B. Nyberg Memorial Scholarship Fund. This scholarship will provide aid to students majoring or minoring in Evangelism or Communications.

This scholarship fund was established in memory of Jonas B. Nyberg, who succumbed to osteosarcoma, i.e. bone cancer, on May 13, 2006. He was 18 years old. One of his dreams was to study at ORU. This fund will help others to fulfill Jonas' desire and will keep his memory and legacy alive. This scholarship support will help relieve the cost of tuition, room and board, fees, books and auxiliary expenses directly related to studying at ORU. Students applying are expected to work within church settings or in overseas ministry where an applicant cannot expect high remunerations. Your scholarship support would also help relieve the burden of repayment.

Please find enclosed an application and proposal summary for review by the trustees of The Chatlos Foundation on behalf of Oral Roberts University (ORU). Also included is ORU's IRS determination letter, organizational budget, a letter from the Chatlos Foundation, a Summary Brochure about the Jonas B. Nyberg Memorial Fund, and Guidelines for Applicants of the Fund. More information about the fund is also available at [www.jonasmemorialfund.org](http://www.jonasmemorialfund.org).

Thank you for taking time to consider this grant request. If you have any questions or need additional information, please feel free to contact me at 918-495-7225. Again, thank you for your consideration.

Sincerely
