

## ORU MARKETING CREATIVE TEAM

The ORU Marketing Creative Team is made up of award winning designers and one stellar photographer. Brochures, posters, postcards, digital advertising campaigns and banners are only some of the things we do on a regular basis. No matter the type of project, it is always our goal to develop designs that are not only eye catching but that clearly communicate the message our clients want to send. Our services include:

- Print design.
- Digital advertising and social media support.
- Photography.
- Large format poster and banner designs plus printing.
- Campaign development.

Please submit a [Project Request Form](#) for each project. To view what information is needed for
