This form is for students, or parent(s) of dependent students, who are self-employed and have filed for a tax extension for the 2013 tax year. Please provide an Adjusted Gross Income amount (to your best knowledge) for 2013 and the taxes you paid during 2013. When verification is completed, these numbers may change to reflect the amounts on the tax transcripts received, so please be as accurate as possible. **Note: The Tax amount stated on this form should only be the taxes paid for 2013. It is the amount on line 55 of IRS Form 1040 after deductions and credits are taken out. This is NOT the amount of self-employment tax, or the amount owed to the IRS after taxes are filed.
