

# VERIFICATION SELECTION NOTICE

The information you submitted on your FAFSA form has been selected by the Federal Government for a process called “Verification.” This means that the ORU Financial Aid Office is required to collect documentation from you to verify the information you entered on your FAFSA and correct any data entry errors. If corrections are needed, your ORU Financial Aid award offer may change and you will receive a revised Award Letter.

You may log into **vision.oru.edu** and click on “My Eligibility” to view all requested documents. Please submit all requested documentation as soon as possible to avoid processing delays.

If you have questions about the Verification process, you may contact the ORU Student Service Group at **918.495.6510** Monday—Friday, 9am—4pm, or email **StudentServiceGroup@oru.edu**.
