At last, you finally have the freedom to use your materials allowance the way you want without all the surprise out of pocket expenses. With Premium providers in your area, you'll have access to high definition (single vision, bifocal, trifocal or premium progressive) lenses, premium anti-reflection coating, scratch resistant coating and UV protection all for one low price!

OWNED BY OKLAHOMANS, FOR OKLAHOMANS

Unity Vision is proudly owned by private practice optometrists right here in the great state of Oklahoma. Revenue and tax dollars stay in Oklahoma to support your local communities and schools.

*Benefits available exclusively at Premium participating providers. Contact lens benefit is in lieu of glasses.

Unity Vision is a membership plan, not insurance. Minimum participation requirement for the plans offered above is 2 employees. Contact lens allowance amount is in lieu of glasses. For a complete listing of allowances, exclusions and limitations, please reference the enclosed Allowance Summary.
