WELCOME TO MYORU.EDU

WELCOME GOLDEN EAGLES!

The all-new MyORU.edu is your one-stop digital hub for everything you need at Oral Roberts University! Whether you're a freshman beginning your college journey or a returning student, MyORU brings your academics, campus resources, personal information, and student services together in one convenient place.

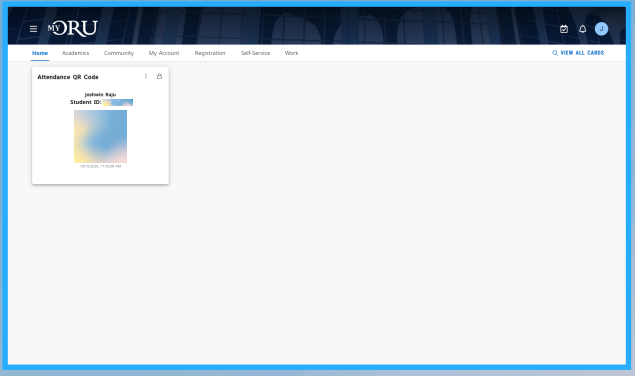

GETTING STARTED

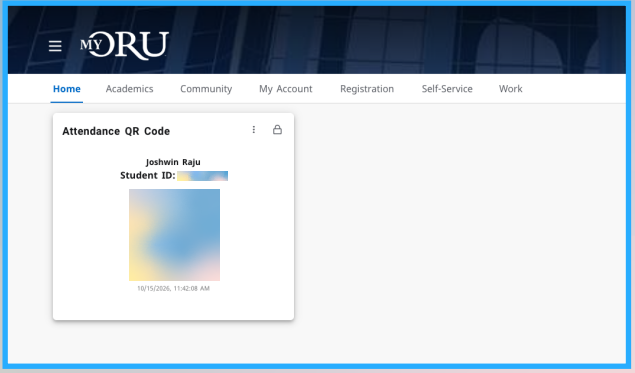

Once you've signed in using your ORU credentials, you'll find seven main navigation tabs across the top of the page. Each tab organizes important tools and resources into easy-to-access cards.

EXPLORE THE SEVEN MAIN TABS

HOME | Your Personal Dashboard

Your starting point for quick access to frequently used tools, including your personal Attendance QR Code, which can be scanned for attendance tracking.

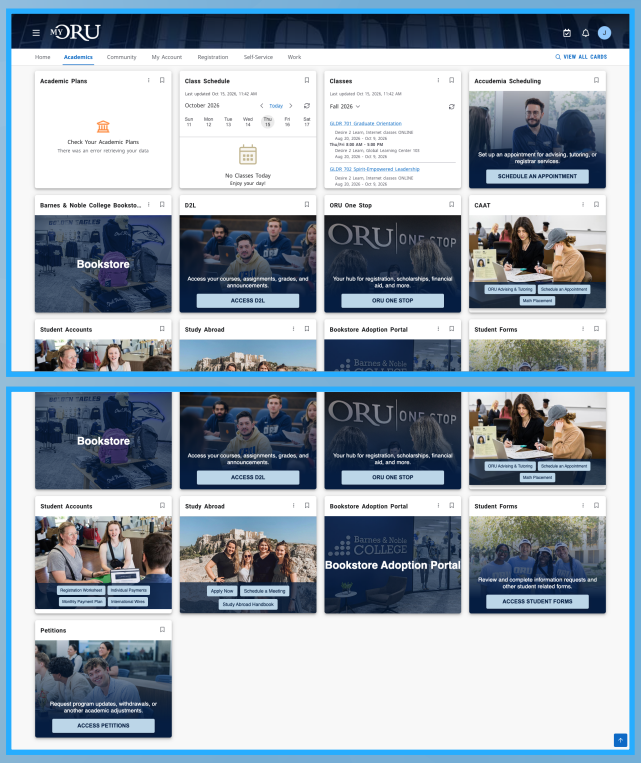

ACADEMICS | Everything For Your Classes

Stay on top of your academic journey with access to:

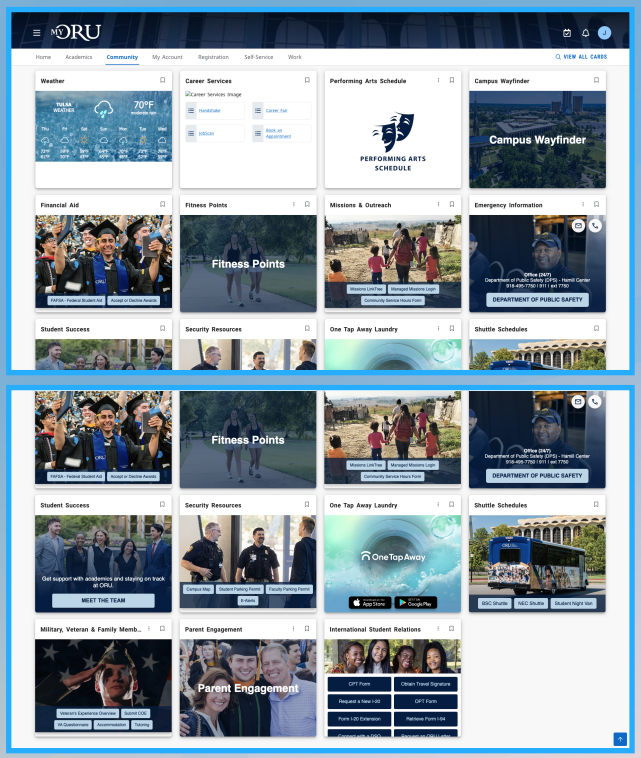

- Class schedules, course information, and academic plans.
- D2L for assignments, grades, and announcements.
- Academic advising, tutoring, and ORU One Stop.
- Student forms, academic petitions, and study abroad opportunities.
- Bookstore resources and student account services.

COMMUNITY | Your Campus Life Hub

Explore everything happening beyond the classroom:

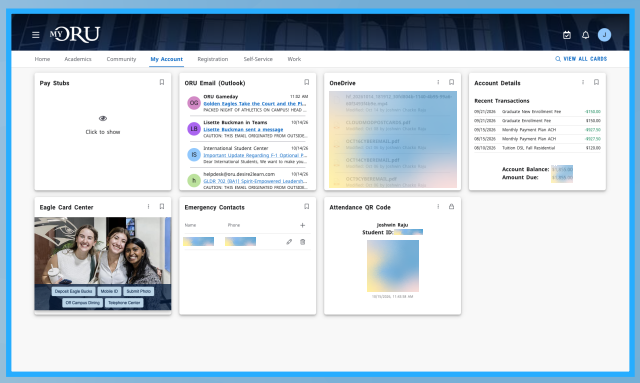

- Tulsa weather and campus shuttle schedules.
- Campus Wayfinder to navigate ORU
- Career services, student success, and fitness points.
- Missions, outreach, and performing arts schedules.
- Campus safety, security resources, financial aid, and laundry services..

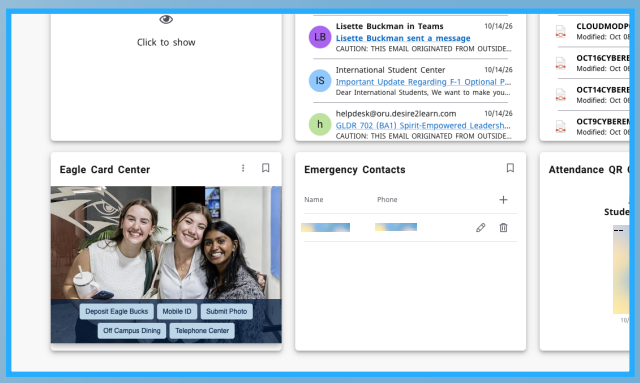

MY ACCOUNT | Your Personal Information

Keep your essential information in one place, including your ORU Outlook email, OneDrive files, student account balance, recent transactions, Eagle Card Center, emergency contacts, and Attendance QR Code.

Eligible employees may also see pay stubs.

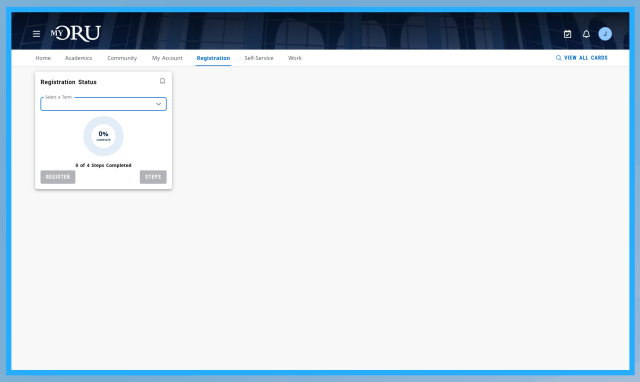

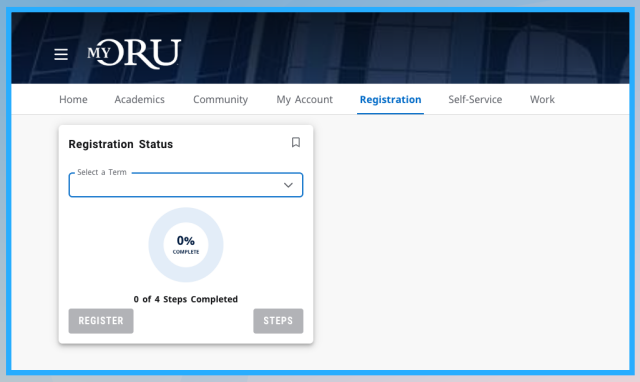

REGISTRATION | Track Your Next Steps

Select an academic term and view your registration progress.

The Registration Status card shows how many required steps you've completed and provides access to registration actions.

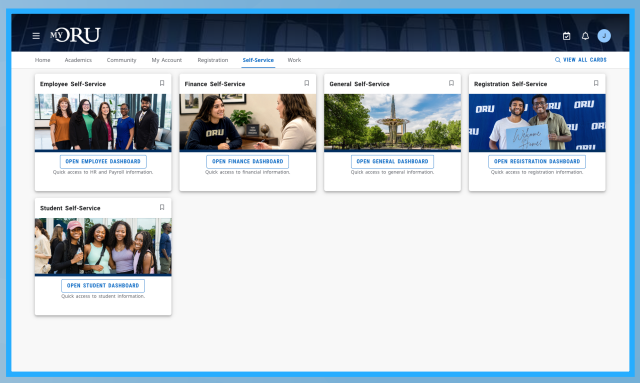

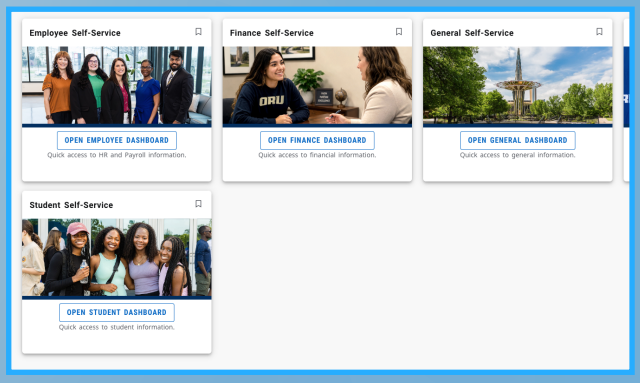

SELF-SERVICE | Manage Students Essentials

Quickly open dedicated dashboards for student information, registration, finances, and general university services.

Employee Self-Service is also available for eligible users.

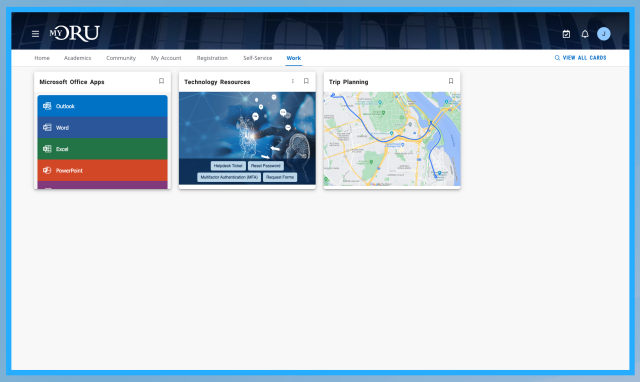

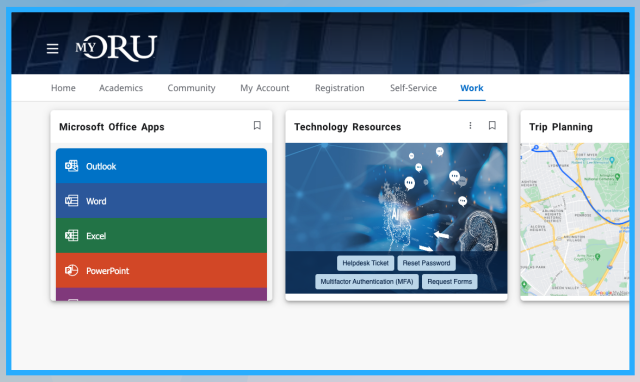

WORK | Technology And Productivity Tools

Access Microsoft Office applications such as Outlook, Word, Excel, and PowerPoint.

Find IT support through the Technology Resources card, including password resets, multifactor authentication (MFA), helpdesk tickets, and request forms.

FIVE THINGS EVERY FRESHMAN SHOULD DO

Your MyORU Checklist

- Explore all seven navigation tabs and familiarize yourself with the available cards.
- Check your ORU email regularly for important university announcements.
- Visit Academics to find your classes, schedule, and D2L.
- Open Registration to review your registration status and required steps.
- Locate Technology Resources under Work so you know where to get IT help.

HELPFUL TIPS FOR NAVIGATING MyORU
