IMPORTANT - Read this License Agreement carefully before clicking on the "Agree" button. By clicking on the "Agree" button, you agree to be bound by the terms of the License Agreement.

VMWARE END USER LICENSE AGREEMENT

PLEASE NOTE THAT THE TERMS OF THIS END USER LICENSE AGREEMENT SHALL GOVERN YOUR USE OF THE SOFTWARE, REGARDLESS OF ANY TERMS THAT MAY APPEAR DURING THE INSTALLATION OF THE SOFTWARE.

IMPORTANT-READ CAREFULLY: BY DOWNLOADING, INSTALLING, OR USING THE SOFTWARE, YOU (THE INDIVIDUAL OR LEGAL ENTITY) AGREE TO BE BOUND BY THE TERMS OF THIS END USER LICENSE AGREEMENT ("EULA"). IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA, YOU MUST NOT DOWNLOAD, INSTALL, OR USE THE SOFTWARE, AND YOU MUST DELETE OR RETURN THE UNUSED SOFTWARE TO THE VENDOR FROM WHICH YOU ACQUIRED IT WITHIN THIRTY (30) DAYS AND REQUEST A REFUND OF THE LICENSE FEE, IF ANY, THAT YOU PAID FOR THE SOFTWARE.

EVALUATION LICENSE. If you are licensing the Software for evaluation purposes, Your use of the Software is only permitted in a non-production environment and for the period limited by the License Key. Notwithstanding any other provision in this EULA, an Evaluation License of the Software is provided "AS-IS" without indemnification, support or warranty of any kind, expressed or implied.

1. DEFINITIONS.

1.1. "Affiliate" means, with respect to a party at a given time, an entity that then is directly or indirectly controlled by, is under common control with, or controls that party, and here "control" means an ownership, voting or similar interest representing fifty percent (50%) or more of the total interests then outstanding of that entity.

1.2. "Documentation" means that documentation that is generally provided to You by VMware with the Software, as revised by VMware from time to time, and which may include end user manuals, operation instructions, installation guides, release notes, and on-line help files regarding the use of the Software.

1.3. "Guest Operating Systems" means instances of third-party operating systems licensed by You,

Double-click on the **Applications** folder and double-click the **VMware Horizon Client** icon

Click on **Open**

Type in the address **homevdi.oru.edu** and uncheck **Always connect at launch**, then click **Connect**

The image shows a browser window at my.vmware.com displaying the VMware Horizon Client download page. A 'New Server' dialog box is open, and a 'VMware Horizon Client' window is overlaid on top. The 'VMware Horizon Client' window prompts the user to 'Enter the name of the Connection Server.' with the text 'homevdi.oru.edu' entered in the input field. Below the input field, the checkbox for 'Always connect at launch' is unchecked. At the bottom of the dialog, there are 'Cancel' and 'Connect' buttons. A red arrow points to the 'Connect' button. The background browser page shows the 'Download P' section with various filters and a 'DOWNLOAD NOW' button.

Type in your network credentials and click **Login**

The screenshot shows a web browser window with the address bar displaying `my.vmware.com`. The page content includes a navigation menu with items like "Home / VMware Horizon", "Download P", "Select Version", "Notes", "Documentation", "Release Date", and "Type". A "Product Downloads" section is visible, featuring a "File" tab and details for "VMware Horizon Client", including "File size: 45.14 MB" and "File type: Mac disk image". A "Read More" link and a "DOWNLOAD NOW" button are also present. A "Login" dialog box is overlaid on the page, titled "Login" and containing the VMware Horizon logo. The dialog fields are: "Server: https://homevdi.oru.edu", "Username: username", "Password: [masked]", and "Domain: INT". "Cancel" and "Login" buttons are at the bottom, with a red arrow pointing to the "Login" button. A small window with a cloud icon and the URL `homevdi.oru.edu` is also visible in the background.

Double-click on **ORU - Academic Lab**

The image shows a web browser window displaying the VMware Horizon Client download page. The browser's address bar shows `my.vmware.com`. The page content includes a sidebar with navigation links like "Home / VMware Horizon", "Download P...", "Select Version", "Notes", "Documentation", "Release Date", and "Type". The main content area features a "Product Downloads" section with a "File" tab. Under this tab, the "VMware Horizon Client" is listed with a file size of 45.14 MB and a file type of "Mac disk image". A "Read More" link is present below the file information. A blue "DOWNLOAD NOW" button is located at the bottom right of the page. A modal window is overlaid on the page, showing three desktop icons: "ORU - Academic Lab", "ORU - CIT", and "ORU - EGRMAT". The "ORU - Academic Lab" icon is highlighted with a blue border, and a red arrow points to it from the "ORU - CIT" icon. The modal window's address bar shows `https://homevdi.oru.edu`.

Click **Allow**

On the VMware Horizon Client top bar, click **Connection > USB > Start remote USB services**

Click Continue

The screenshot shows a Windows desktop environment. On the left side, there is a taskbar with icons for Recycle Bin, Business and Education, HPScanning (G3110), and Leave Feedback. The main area of the desktop is a blue background. In the center, there is a large white window titled 'Welcome !!!' with the ORU logo and the text 'ORAL ROBERTS UNIVERSITY'. Below the logo, it says 'Welcome! We're Happy You're Here!' and provides a reminder about university guidelines. At the bottom of this window, it says 'ORU Information Technology | Student Help Desk 918.495.6321'. Overlaid on top of the welcome window is a smaller dialog box titled 'Start remote USB services'. The dialog box contains the text: 'To start remote USB services, an Admin password will be required. Please input your password when prompted.' There are two buttons: 'Cancel' and 'Continue'. A red arrow points to the 'Continue' button. In the bottom right corner of the desktop, there is a small thumbnail of the welcome window. The taskbar at the bottom shows the search bar, taskbar icons for various applications, and the system tray with the time '9:41 AM' and date '8/17/2020'.

Start remote USB services

To start remote USB services, an Admin password will be required. Please input your password when prompted.
